Horizontal rolling "sliders" Windows consist of one or more horizontal sash in a master frame with the option of combining fixed Windows on a variety of configurations. Opening from side-to-side similar to a sliding glass door.

Our Single Hung Aluminum Windows are built to your specifications. While we're showing a few combinations, there are literally thousands of ways for us to make your custom built Windows. Screens are always available.

Aluminum Single Hung Window Series 4000 Configurations

Both Windows are available with: Standard Colors - White & Bronze or Two Tone Offerings (White / Bronze) Or you may choose a Custom Color Match option.

Our Horizontal Rolling Window can also provide the convenience of a pass-through from the prep area in the kitchen to the outdoor entertainment area. Screens are always available.
